Why are you applying for the IFAGG council?

Faroe Islands became a member of IFAGG in 2005. We hosted World Championships in 2015, and I was part of the committee who arranged it. I would like to find out more about the work the council does.

It is good to have members from different countries on the board, as variety in opinions and experience varies from country to country.

Which Council section you have special skills? (e.g. strategy, ethical work, development, education, finance etc.)

Education

What are your strengths?

I have been working as a physiotherapist for almost 40 years, and I have been taking care of our AGG gymnasts, both with trainings and threatening injuries.

I have also been a level 1 judge for almost 10 years and know AGG gymnastics and the rules and development very well.

Gymnastics and AGG background / activity on international and national level

I have been a gymnast since I was 6 years old. Coach since I was 14. Judge in Grand prix (Danish competition) since 1986 until 2005, when we left the Danish competition and became members of IFAGG. AGG judge since 2006. I became level 1 judge in 2015. I have been a judge in many countries for many competitions over the years and am a regular part of Danish and Faroese judging panels – most often as head judge.

Other activity, positions of responsibility, other duties and networks:

I have been twice in our federations board and now taking care of our national judges. I am now a part of the organisers to every competition here in Faroe Islands, and I am an adviser to our board (Føroya Fimleikasamband)
