

INQUIRY FOR THE CANDIDATES OF THE IFAGG COUNCIL

I am applying for the IFAGG council

Name: Renáta Vrbová

Proposing IFAGG member: Czech Federation of AGG

Education:

Charles University, Faculty of Physical Education and Sport, Prague
1999 – 2004 Bachelor study – specialization: gymnastics coach

VSB – Technical University of Ostrava, Faculty of Economics
1995 – 2000 Master's study – engineering studies
specialization: Business and Management

Profession and employer:

Quality manager, Regional Authority of the Olomouc Region

Why are you applying for the IFAGG council?

I'd like to spread the AGG in the name of ethical principles and in the name of respect to our members – gymnasts, coaches, judges and representatives. I would like to collaborate on development of AGG principles and strategy based on wide consensus. As a Council member, who is responsible for Technical Committee, I would like to continue with the work on all necessary matters such as new rules, education of judges, coaches as well as other members and person interested in AGG. In the next period I would like to focus on new rules of children categories and short program.

Which council section you have special skills? (e.g. strategy, ethical work, development, education, finance etc.)

Strategy, development and ethical work.

What are your strengths?

Respecting Fair-play

Decisiveness

Management skills

Capability and skills are proved by many years in management positions in work as well as sport authorities

Gymnastics and AGG background / activity on international and national level

Started AGG in 1999 as an active gymnast

Coach of AGG from 2002

International judge AGG from 2004.

Member of the Board of the Czech Federation of AGG since 2007, responsible for judging systems and international affairs.

President of the Czech federation of AGG since the year 2011 until now

Member of the Technical Committee of IFAGG since 2008 to 2016

Member of the Council of IFAGG since the year 2010 until now

Other activity, positions of responsibility, other duties and networks

Responsible for managing Technical Committee and all steps focusing on new rules of juniors and women, mixed teams and children.

Responsible for Czech national competition system and national educational system for judges and coaches.

What will be the main challenges of IFAGG in the future (from your point of view)?

Modernisation and digitalisation: To use of AI tools, to computerize of AGG processes, to expand gender balance in AGG sport through the new rules for mixed teams, to expand memberships AGG despite all global obstacles and conflicts

How do you evaluate IFAGG actions? What do you value in IFAGG?

This year has not been still easy at all due to influences beyond our control. Nevertheless, we have done a lot of work in the Council. Many strategic documents were approved by Council. I'm very pleased that the new rules for mixed teams have been released, corrections of the long program Rules and new Short program rules for the period 2024-2025.

We have also set up clear processes. A judge register, which is a very valuable management and control tool, will be launched at the end of the year. I'd like to underline the IFAGG healthy policy and strategy, which respects the world trends.

What do you think will be IFAGG's possibilities in the future?

To create schemes and procedures that are clear to all.

Supporting the development of young talent.

Expansion of programmes aimed at the development and promotion of AGG

Increased cooperation with national federations.

Which matters you would promote in IFAGG?

Promoting sports ethics and fair play: strengthening programmes focused on ethics in sport, including education. Respect to all people.

Invite new people in AGG.

Built on a clear and fair judging system.

How would you commit to IFAGG?

To make the working and decision processes more effective.

Introduce digital tools to facilitate the management and organisation of competitions.

Increasing transparency and fairness: Implementing stricter standards for judging and evaluation at all levels of competition, including regular training of judges.
