

Criteria for A and B groups in World Championships

IFAGG World Championships and Junior World Championships participant will be divided in 2 groups "A" group and "B" group. Both Championships starts with "A" group and after break continue with "B" group. The groups are divided in approximately the same number of teams in each group and according some criteria.

Criteria for participation in Group "B"

- To be finalists in World Cup or Challenge cup during the year of IFAGG World Championships or Junior World Championships (min total score 28.00);
- If there are more than 2 teams per country fulfilling this criteria, country decide which team will be in "A" group and which teams will be in "B" group;

If number of the teams are not equal or approximately same number, IFAGG Council has the rights to allow teams according:

- Country who is not presented in the finalists of World Cup or Challenge cup in same year, but has result more then 28.00 points (Preliminary and Finals of WC or CC);
- County from different continents if not presented such;
- Wild card with Council decision.
