

Dear IFAGG members,

I congratulate you on the high day of our sport.

We all have the happiness of touching this inspiration, of being part of the beauty that aesthetic group gymnastics creates.

Since the founded of IFAGG on 12 October 2003, AGG is gaining more and more fans.

Thank you for your support and development of this promising young sport.

With your help IFAGG remains a unique sports organization built on friendship, mutual respect, and a passion for success through a love of children and sport.

Congratulations to all and see you soon.

With great respect

Liliya Morozova,
IFAGG President
