.....

Why are you applying for the IFAGG council?

My passion is AGG. I have been involved with AGG from the time this sports field was introduced in Estonia and I know IFAGG from the beginning of its history.

Which council section you have special skills? (e.g. strategy, ethical work, development, education, finance etc.)

I have special skills in organisation culture, leadership, didactics, strategy and finance. In previous IFAGG board member period I have been involved with rules (TC), finance and ethical work.

What are your strengths?

I love working with people, try always to have positive mind and I have my own opinion. My knowledges about finance and AGG are good. But I never forgot - teamwork always works.

Gymnastics and AGG background / activity on international and national level

I have been involved in gymnastics for many years from the sports' early years as teacher, coach, mentor and judge. My working career started in 1983. In collaboration with various clubs I have already more than 20 years organized a variety of national gymnastics competitions. Working together with Estonian Gymnastics Federation I have helped to organize and carry out training sessions for coaches and instructors nationwide. I have been a member of GC Rytmika over 30 years.

Presently I am a member of AGG board of Estonian Gymnastics Federation. As of 2016 till 2024 I have been a Board Member of Estonian Gymnastics Federation representing aesthetic group gymnastics panel. I have been IFAGG Board member from 2021. I have a level 1 international judge qualification.

Other activity, positions of responsibility, other duties and networks

I am have three children and five grandchildren.

What will be the main challenges of IFAGG in the future (from your point of view)?

The main challenge of IFAGG I see, is to introduce AGG in Olympic Games. IFAGG has done great job towards that goal already many years and I hope that in some day this dream comes true.

How do you evaluate IFAGG actions? What do you value in IFAGG?

I appreciate IFAGG's actions in introducing AGG as a sports field and I see that IFAGG has done a magnificent job in uniting people who love and practice AGG. Through IFAGG work there has been developed a network of coaches, judges and athletes who all love these beautiful sports.

What do you think will be IFAGG's possibilities in the future?

IFAGG's possibilities in the future are connected with its dreams in the Olympics and also the further development of AGG in the world. IFAGG must continue preparations with all materials and documents to be ready for the Olympics.

Which matters would you promote in IFAGG?

To reach the Olympic Games

How would you commit to IFAGG?

I promise to take full commitment in IFAGG work and to take part in all meetings and events. I also promise to use all my professional knowledge to develop IFAGG as an organization in the direction it has set for itself.
