### MOTIVATION LETTER:

I have been involved in gymnastics and AGG for many years from the sports' early years as teacher, mentor, coach and judge. As soon as the International Federation of Aesthetic Group Gymnastics (IFAGG) was established, I started to co-operation with the organization and still continue. I have actively participated in a workgroup drafting guidelines and 2004 started as an international judge. For more than 20 years I have I collaboration with various clubs organized a variety of national gymnastics competitions. Working together with Estonian Gymnastics Federation I have helped to organize and carry out training sessions for

instructors nationwide. Presently I am a member of the IFAGG Board (2021 – present). 2016 - 2024 I was a Board member of Estonian Gymnastics Federation representing the aesthetic group gymnastics panel. As an international judge, I have the highest level. I always have followed the principles of "Fair Play". I am interested in developing and promoting aesthetic group gymnastics as a beautiful and feminine sport. My dream is that IFAGG would reach the Olympic Games.

#### **LANGUAGE SKILLS**

First language: Estonian  
Foreign languages: Russian and English

#### **COMPUTER SKILLS**

File management, word processing, spreadsheets, data management
