

INQUIRY FOR THE CANDIDATES OF THE IFAGG COUNCIL

I am applying for the IFAGG council for 2025-2029

Name: Leyla Timofeeva

Proposing IFAGG member: AFCGE

Education: Degree in Physical Activity and Sports Sciences, official rhythmic gymnastics coaching courses (levels 1, 2, and 3), and training in sports management.

Profession and employer: Leader in rhythmic gymnastics and AGG in clubs in France and Spain. Currently coordinator of extracurricular rhythmic gymnastics activities in educational centers.

Why are you applying for the IFAGG Council?

I wish to contribute to the development of AGG at the international level, bring in my experience as a leader, and work to ensure the federation grows in visibility, organizational quality, and transparency.

Which Council section do you have special skills in?

Strategy, project development, education and training, as well as ethics and communication.

What are your strengths?

Extensive international experience, leadership skills, strategic vision, teamwork, knowledge of several languages (Russian, Spanish, French, and English), and strong motivation to promote AGG.

Gymnastics and AGG background / activity on international and national level

Former rhythmic gymnast. Over 22 years of experience as a leader in Spain and France. For 10 years, I represented and worked on the development of AGG in Spain, and since 2014 I have represented France, continuing the work of expanding and consolidating AGG within its territory. I have extensive experience in organizing IFAGG events in several countries, such as Spain, France, Armenia, Mexico, and Andorra, as well as collaborating with AFCGE and supporting the training of judges and coaches.

Other activity, positions of responsibility, other duties and networks

Collaboration with national federations, participation in technical committees, experience in organizing events and championships. Strong network of contacts with coaches, judges, and leaders in several countries around the world.

What will be the main challenges of IFAGG in the future (from your point of view)?

Expanding the recognition of AGG worldwide, improving communication and visibility of the sport, strengthening the training of judges and coaches, and ensuring a clear and transparent management system.

How do you evaluate IFAGG actions? What do you value in IFAGG?

I value IFAGG's efforts in organizing high-level international competitions, creating training opportunities, and promoting AGG in different countries. I consider its commitment to ethical and educational development very positive.

What do you think will be IFAGG's possibilities in the future?

Expanding the network of participating countries, establishing cooperation agreements with other international federations, gaining greater media recognition, and increasing the participation of young gymnasts worldwide.

Which matters would you promote in IFAGG?

Coach and judge education, development of inclusion projects, equal opportunities, growth of AGG in new countries, as well as better dissemination of the values of our sport.

How would you commit to IFAGG?

By actively participating in Council meetings and projects, contributing concrete proposals, working collaboratively, and being available to represent IFAGG in various events and international meetings.
